Arsine Nazarian, Venezia

A line of **home accessories** and everyday objects handmade by **Arsine Nazarian**.

Made out of **porcelain** and **stoneware**, they are glazed at high temperature (1260° C) with a **non-toxic glaze** made of ashes and sands.

Arsine lives and works in Venice; focused for many years on stoneware and porcelain, she's in a continuous effort to find new shapes and textures.

Since 2016 Arsine Nazarian collaborates with **Laguna Libre, Venezia**.

€ 320

All products of Terra in-fome line have uniquely been hand made.  
Every so called 'defect' is a distinctive feature indeed, part of the handmade process.
